GITAM
DEEMED TO BE UNIVERSITY

Dear Hiring Manager,

It is with immense pleasure that I am writing this letter of recommendation for Mr. Mitra Boga in support of his application to pursue an internship at your esteemed tech organization.

I am Dr. Punna Eshwaraiah, Professor and HOD, School of Technology, GITAM (Deemed to be University). As his faculty, I taught him Additive Manufacturing (MECH3091). I can confidently vouch for his Mechanical Engineering and Additive Manufacturing prowess.

Mitra possesses the intellect, logical thinking, creativity, adaptability, communication, attention to detail and analytical expertise required to excel in any Engineering role. It is his passion for the subject and dedication to his career that allowed him to perform incredibly well in academics. He participated actively during class discussions and always came prepared to class to share the knowledge gained through active references from top academicians.

During his time as my student, he has consistently demonstrated tenacious efforts and remarkable performance in Additive Manufacturing (MECH3091). He is capable of implementing key concepts such as the Additive Manufacturing Process and Principles, Material Extrusion (FDM - Fused Deposition Modelling), Vat Photopolymerization (SLA, DLP, etc.), Power Bed Fusion (SLS, SLM, EBM), Material Jetting and Binder Jetting, Polymers, Metals, Ceramics and Composites, Post-Processing and Surface Finishing, and the Applications of Additive Manufacturing.

As an aspiring Engineer, the internship at your organization would provide Mitra Boga with an opportunity to showcase and improve upon his academic prowess and allow you to practically experience what Mitra has learnt theoretically. I am sure he will prove to be an asset to your organization and will prove his talent in the realm of networks. I can confidently endorse Mitra's application without any reservations.

(Prof. Eshwaraiah. P)

Dr. Punna Eshwaraiah, Ph.D., Additive Manufacturing,
Professor & HOD, Department of Mechanical Engineering,
School of Technology, GITAM University, Hyderabad, INDIA

GITAM Hyderabad (Deemed to be University)
