GITAM
DEEMED TO BE UNIVERSITY

To whom it may concern,

It is with great enthusiasm that I write this letter of recommendation for Mr. Mitra Boga in support of his application for an internship/professional endeavour at your esteemed organization.

As U Devi Prasad, Professor, School of Business, GITAM (Deemed to be University), I had the privilege of teaching him Sales & Distribution Management (MKTG3011). Throughout the course, Mitra consistently demonstrated a deep understanding of core concepts, an analytical mindset, and an advanced foundation of all topics due to his Accounting and Financial Management background.

What distinguishes Mitra is his clarity about his future and ability to blend interdisciplinary studies to maximize his skillset. He leverages his Waterloo academic background to excel in interdisciplinary environments. This equips him with exceptional communication skills and the ability to clearly articulate complex concepts, allowing him to relate theoretical frameworks to practical, real-world business applications. During class discussions, he consistently demonstrates a clear thought process, connecting marketing, sales, and distribution strategies to broader business and technological contexts. Mitra also actively applies these learnings beyond the classroom by enhancing his previous academic work. For example, he has applied statistical and data science techniques to his AFM 207 Performance Analytics coursework by building analytical models in R. This ability to merge business knowledge with engineering highlights Mitra's interdisciplinary mindset and commitment to transforming academic knowledge into practical solutions.

During his time as my student, he has consistently demonstrated an aptitude for progression and growth. He grasps all the conceptual and applicable concepts in the course, such as Types of Selling, Modern Day Sales, Marketing Principles, Selling Process, Sales Planning and Budgeting, Routing and Scheduling Techniques, Distribution and Marketing Channels, and Sales Force Management.

I am confident that Mitra will bring the same integrity, creativity and technical excellence to any internship or professional endeavour he undertakes. I wholeheartedly recommend Mr. Mitra Boga without any reservation.

U. Devi Prasad 17/03/2026
