GITAM
DEEMED TO BE UNIVERSITY

To whom it may concern,

It is with great enthusiasm that I write this letter of recommendation for Mr. Mitra Boga in support of his application for an internship/professional endeavour at your esteemed organization.

As B Kumar Babu, Assistant Professor, School of Technology, GITAM (Deemed to be University), I had the privilege of teaching him Web Application Development & Software Frameworks (CSEN3071). Throughout the course, Mitra consistently demonstrated a deep understanding of core concepts, an analytical mindset, and a relentless effort to master and apply front-end software framework concepts in his own personal projects to develop his portfolio.

What differentiates Mitra is his clarity on his goals and staggering discipline. He has never missed a deadline and has always been the first to submit any assignment. He actively engages in class discussions and is quick to implement HTML, CSS, JavaScript, and XML commands during his lab tutorials. His ability to marry web development with his back-end (ML Pipelines, Cloud Hosting, etc.) skills is commendable. Beyond the classroom, Mitra utilizes his learnings from my class to enhance his self-initiated projects - Personal Finance Trend Analyzer and Terminal GIF Maker. The projects showcase his eye for visual aesthetics blended with functionality in web application development.

During his time as my student, he has consistently demonstrated an aptitude for progression and growth. He grasps all the conceptual and applicable concepts in the course, such as Client-Side, Server-Side components, 2-Tier & N-Tier Architectures, MVC Pattern, HTML Text Formatting, Lists, Links, Tables, Forms and Frames, CSS, Style Specification Formats, Box Model, DOM, Regular Expressions, Event Handling, Validation, Dynamic Documents, XML, Schemas, XSLT, XPath, XQuery, FLOWR, Servlet, Database Connectivity, JSP, JDBC, ReactJS and AngularJS.

I am confident that Mitra will bring the same integrity, creativity and technical excellence to any internship or professional endeavour he undertakes. I wholeheartedly recommend Mr. Mitra Boga without any reservation.

16/3/26

Dr. B. Kumar Babu, Ph.D,
Web Application Development & Software Frameworks,
Assistant Professor, Department of Computer Science,
School of Technology, GITAM University,
Hyderabad, INDIA

GITAM Hyderabad (Deemed to be University)
